

**Introduction:**

This project is inspired by rats found in NYC subways. When I started riding subways I was scared of rats, so I made up funny stories about rats I saw. Now I have a collection of rat stories! My final project will incorporate my stories, illustrations, and web development skills in a way that creates a cohesive narrative.

**Homepage:**

A friendly user-welcoming page describing how this project happened.

**Page Elements:**

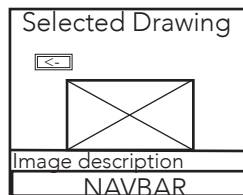

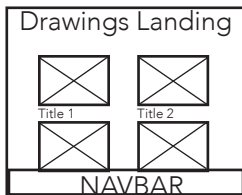

- Text: title, paragraph
- Slideshow
- Navigation bar

**Navbar Links to Main Pages:**

- Drawings landing page
- Stories landing page
- Rat map
- About the artist

**Drawings:**

Portfolio page including original names, descriptions, and drawings of rats. If extra time: rat drawings move across the page!

**Page Elements:**

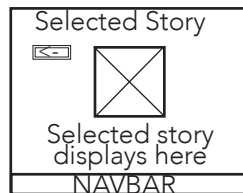

- Text: title, captions
- Images
- Front/back buttons
- Navigation bar

**Navbar Links:**

- Drawings landing page
- Stories landing page
- Rat Map
- Home
- About the artist

**Stories:**

An image and brief description of each rat, expanding to short stories.

**Page Elements:**

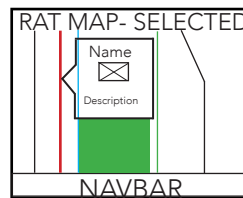

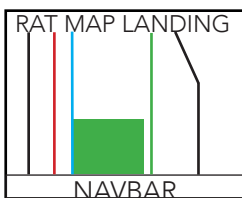

- Text: title, captions, paragraph
- Images
- Front/back buttons
- Navigation bar

**Navbar Links:**

- Stories landing page
- Drawings landing page
- Rat map
- Home
- About the artist

**Rat Map:**

An interactive subway map showing where rats were found. On mouse-over (pun un-intended!) an image and brief description of each rat appears.

**Page Elements:**

- Text: title, captions, descriptions
- Images
- Interactive map
- Navigation bar

**Navbar Links:**

- Stories landing page
- Drawings landing page
- Rat map
- Home
- About the artist

**About the artist:**

A description of the artist and links to social media.

**Page Elements:**

- Text: header, description
- Image
- Social media bar
- Navigation bar

**Navbar Links:**

- Stories landing page
- Drawings landing page
- Rat map
- Home
- About the artist
